Statement of Progress

Leasing is at 99.1%. A very efficient rate.

The Agency is still in the process of identifying City land for housing development. This process should be final by 10/15/2003.

The program is fully automated except for the inspection process. We will proceed with automation of inspections during this year.

The PICMTCSS system seems to be stable and working. FSS families have all been properly submitted. There are still a few technical problems to sort out.

HUD continues to allow Payment Standards at the maximum amount with local authority.

The FSS program has 29 participants.

The number of Voucher slots on the program was increased to 426 by FYE. 401 slots, up from 377 are now authorized. More are needed based on the waiting list demand. The waiting list is closed.

The RAB has two responsibilities: 1) review and comment on the 5 year and Annual Plan and 2) appoint a member to the Board. The RAB will be polled for nominations for Board membership then asked to vote. If there are no nominations we will seek volunteers. If more than one resident volunteers we will ask them to vote among themselves for a Board member. Request for nominations or volunteers will be mailed February 27, 2003.
